TO: District and County Superintendents of Schools, Directors of Bilingual Education Programs, Personnel Administrators, and Others Interested in Bilingual Education

FROM: Peter L. LoPresti, Executive Secretary

SUBJECT: Directory of Bilingual/Cross-Cultural Teachers

As mandated by section 5769.4 of Chapter 984, the Bilingual Statutes of 1976, the Commission for Teacher Preparation and Licensing is charged with the distribution of a directory of bilingual/cross-cultural teachers. The 1976 legislation requires that teachers, who are to be assigned to a bilingual classroom as of September 1, 1977, must be bilingual/cross-cultural teachers as defined in Education Code section 5767.2(h) or shall be bilingual in English and the primary language of the limited-English-speaking pupils in the class and hold an internship credential or an emergency bilingual/cross-cultural credential (Education Code section 5767.16). Said directory is herein included for your use.

Included in the directory are the names, addresses, subject authorization (when known), language competency, and bilingual credential held by the listed teacher. Please note that those names marked with asterisks are candidates for graduation and as of this date are enrolled in programs for the bilingual credential. The Title 5 Regulations (4315-waiver) developed by the State Department of Education and adopted by the State Board of Education in March, 1977, describes the manner in which this Directory of Bilingual/Cross-Cultural Teachers is to be utilized.

Also included for your information is a list of teacher preparation institutions with Commission-approved Bilingual Emphasis and Specialist Programs. The telephone number of the bilingual education office is also listed for your use.

If you have questions or need assistance please contact Dr. Gustavo Getner at (916) 322-2304.
