STAFF REQUEST FOR EXTENSION OF
PROGRAM APPROVAL DATES GRANTED
BY THE COMMISSION

BACKGROUND

Sixty-three (63) of the seventy (70) institutions approved to offer credential programs have one or more credential programs whose approval expires June 30, 1980. Since it was not possible under our external assessment schedule for the past five years to send a team to review these programs, staff is requesting an extension of approval for these programs, equivalent to the original term of approval (three years). These programs will be subject to team visits before the expiration of this extension.

STAFF RECOMMENDATION

Staff recommends that the term of approval for professional preparation programs expiring on June 30, 1980 be extended to June 30, 1983.
