# Initial Program Approval for New Program Sponsors
## May 2019

**Overview of this Report**

This regular report of COA consists of recommendations made for the initial approval of professional preparation programs for institutions that have recently received approval as a new program sponsor. Each time the Commission has approved a new program sponsor for provisional approval, the COA will consider the program approval for the institution.

At this time, there are no new program proposals to be considered for approval by the COA. It is anticipated that there will be several scheduled at upcoming meetings.
