\*Two credentials – Multiple Subject and Administrative Services

**Proposed Amendments to 5 California Code of Regulations §80413 Pertaining to Specific Requirements for Preliminary and Clear Multiple and Single Subject Teaching Credentials for Applicants Prepared in California**

The Commission on Teacher Credentialing conducted a public hearing on August 8, 2008, regarding extensions for the Multiple and Single Subject Teaching Credentials. The Commission has noticed additional modifications to the text of the regulations. In order to comply with the provisions of the Administrative Procedures Act, the Commission noticed the additional modifications and no public comment was received. The modifications are summarized below:

- 1) In §80413(d)(2)(A) and (e)(2)(A): Reference the specific application form, including the instructions to complete the form, that applicants applying for an extension to a preliminary credential (valid or expired) must use to provide the information needed to process the application in §80413(d)(2)(A) and (e)(2)(A).

Clarify that the fee for a credential extension coincides with the time and effort for processing credential issuance, reissuance, or renewal applications including a review of the materials to determine the individual qualifies for the extension and all appropriate supporting materials have been submitted.

- 2) In section 80487(a)(1): Clarify that the fee for an extension is the same as for other types of applications section 80487.
- 3) In various sections of 80413 and 80487: Typographical errors are corrected as well as additional Education Code cited as references.

Below is the entire text showing the newly proposed amendments in **bold and double underlined** while the deleted is ~~plain text, double strike through, and single underlined~~. Single underline and strikeout is text previously noticed for the 45-day comment period and the public comment period closed on August 5, 2008. A public hearing was held August 8, 2008. The 15-Day comment period was from October 27 to November 12, 2008.
