Status of Legislation

The *Status of Legislation* agenda item is brought to the Commission to provide updates on the status of bills on which the Commission has taken a position and on the Commission's sponsored bills. Bill updates are listed according to the position adopted by the Commission on each bill.

The Commission has not sponsored legislation for 2014 and there are currently no measures on which the Commission has adopted a position.

Legislation of Interest

The Legislature is now in the second year of the two-year 2013-2014 Legislative Session. As such, any bills introduced in 2013 that were carried over into the second year of the session – also known as 2-year bills – must be passed out of their house of origin by January 31, 2014. The deadline for introducing current year bills is February 21, 2014. In order to provide the most current information on bills of interest to the Commission, staff will prepare Legislation of Interest as an agenda insert.
