Interviews for Appointment to the Committee of Credentials

Introduction

The Ad Hoc Committee will interview, evaluate, and appoint one school board member to serve on the Committee of Credentials.

Background

Staff was notified in August 2007 that the school board position on the Committee of Credentials would become vacant in December 2007 due to the incumbent's resignation. Applications were prepared and distributed. A postmark date of October 10, 2007 or until filled was set as the deadline for the submission of applications. One application has been received. If additional applications are received, the application will be sent to the Commissioners and posted on the Commission website.
