Introduction

Governmental agencies are required to update their conflict of interest code when organizational changes occur therefore these amendments are relative to changes to the current organizational structure of the Commission. Upon approval of this item by the Commission, a Notice of Intention to Amend will be published, initiating a 45-day public comment period on changes to the conflict of interest code. At the conclusion of the comment period, it will be recommended that the Commission adopt the proposed amendments to the conflict of interest code.

The proposed text is as follows, with new language indicated by underline, and deletions by strikethrough:

Article 3. Conflict of Interest Code

The Political Reform Act, Government Code Sections 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the Commission on Teacher Credentialing (Agency).

Individuals holding designated positions shall file statements of economic interests with the Agency. Upon receipt of the statements of the Commissioners and Executive Director, the Agency shall make and retain a copy and forward the originals to the Fair Political Practices Commission.
