April 2016

Bimonthly Agenda

June 16-17, 2016 Commission Meeting Planning Schedule

Items listed below are subject to change

Legislative Committee

Information

Status of Legislation

This agenda item provides the status of legislative measures on which the Commission has adopted a position and those of interest to the Commission.

Action

Analyses of Bills

Staff will present analyses of educator preparation or licensing bills introduced by Legislators. The analyses will summarize current law, describe the bill provisions, estimate costs and recommend amendments, if applicable.

Educator Preparation Committee

Information/Action

Study Session on Special Education

This agenda item will present information through a study session focusing on defining a shared vision for the preparation of teachers who teach students with disabilities. Paul Sindelar, Co-Director of the CEEDAR Center and Professor of Special Education at the University of Florida, will participate in the discussion. Professors from California State University, Long Beach will also be in attendance to provide information on the Urban Dual Credential Program which allows candidates to earn a Preliminary Multiple Subject and Education Specialist credential in 2 years.

Information/Action

Update on the Work of the Child Development Advisory Panel

This item reports on the activities of the Child Development Advisory Panel which has been meeting to review the Child Development Permit Matrix.

Action

Adoption of Revised Science Subject Matter Requirements (SMRs) in Alignment with the Next Generation Science Standards

This agenda item presents the revised Science Subject Matter Requirements for potential adoption by the Commission. The SMRs have undergone a validity study since they were initially presented to the Commission at the February 2016 meeting.

Action

Adoption of Revised Teaching Performance Expectations

This agenda item presents the Teaching Performance Expectations as revised after the validity study for the Commission’s consideration and possible adoption.

Action

Adoption of Revised California Administrator Performance Expectations

This agenda item presents the revised California Administrator Performance Expectations for the Commission’s consideration and possible adoption.

Information/Action

Accreditation: Update on Data Warehouse and Data Dashboards

This agenda item presents the most recent data dashboards and provides an update on the data warehouse project.

Information/Action

Examination Development: RICA and CSET

This agenda item provides information on the Commission’s examinations development process and proposes updating the RICA examination in alignment with the Common Core State Standards and updating several CSET examinations to align with more recent K-12 content standards adopted by the State Board of Education.

Professional Practices Committee

Information

Workload Report

This agenda item provides a report on the Division of Professional Practices’ current workload.

Certification Committee

Action

Proposed Revision of Regulations for Meeting the Subject Matter Requirements for Multiple Subject Credential Candidates

This item presents proposed regulations to reinstate Commission approved subject matter preparation programs as a means for candidates for the Multiple Subject credential to meet the subject matter requirement.

Action

Proposed Amendments to Regulations Pertaining to Out of State Credentialed Teachers

This item presents proposed amendments to the regulations pertaining to Out of State Credentialed Teachers.
