

UNIVERSITY INTERN CREDENTIALS

University Intern Credentials are issued to individuals who have enrolled at a college or university in a Commission-approved intern program. These one to two-year programs are administered by California colleges and universities in partnership with local school districts and are designed to provide participants with classroom experience while they complete course work requirements for the preliminary credential. University Intern Credentials authorize the holder to serve, under the supervision of a Commission-approved college or university and the holder's employer, in the area or subject listed on the credential. University Intern Credentials are offered in the following areas:

- Multiple Subject Teaching Credential with English Learner Authorization
- Multiple Subject Teaching Credential with Bilingual Authorization
- Single Subject Teaching Credential with English Learner Authorization
- Single Subject Teaching Credential with Bilingual Authorization
- Education Specialist Instruction Teaching Credential with English Learner Authorization
- Pupil Personnel Services (School Counseling and School Psychology)
- Administrative Services

Requirements for intern credentials vary depending upon the type of credential sought and the specific requirements established by the college or university through which the intern program will be completed. Contact the institution of your choice for more information.
