SUPPLEMENTARY AUTHORIZATIONS
For Multiple Subject and Standard Elementary Teaching Credentials

Holders of Multiple Subject or Standard Elementary Teaching Credentials may have one or more of the subjects listed below added to their credential as a supplementary authorization by verifying completion of the following requirements.

Requirements for Holders of Multiple Subject and Standard Elementary Teaching Credentials
Applicants must satisfy one of the following requirements:

1. Official transcripts showing the completion of either 20 semester units (or 10 upper-division semester units) of non-remedial course work in the subject, completed at a regionally accredited community college, college, or university
   - 20 semester units are required if a combination of upper- and lower-division units are completed
   - at least one course in each of the specified areas listed
   - the balance of the 10 or 20 units may be in any course within the subject category
   - a grade of “C” or higher is required in every course used to meet this requirement

   Unacceptable coursework includes:
   - coursework that is not applicable toward a bachelor’s degree or higher degree (remedial)
   - professional development or continuing education units
   - in-service training or workshops
   - education and education methodology coursework unless a letter is provided by the chair of the subject area department stating that the course is equivalent to one offered by that department
   - coursework from a department other than the subject matter authorization being sought unless a letter is provided from the chair of the subject area department stating that the course is equivalent to one offered by that department

2. A collegiate major from a regionally-accredited college or university in a subject directly related to the subject to be listed

Supplementary Subjects
The subjects that may be listed on the credential are printed below in bold. To obtain a supplementary authorization, the teacher must verify the completion of at least one course in each of the areas listed after that subject. These subjects authorize the holder to teach only grade 9 and below:

   Agriculture: animal science, plant science, and agricultural mechanics
   Art: drawing and painting, art history or appreciation, and crafts
   Business: business management, business marketing or introduction to business, computer concepts and applications, economics, business communications or business English, and accounting
**Computer Science:** computational thinking, computing practice and programming, computers and communication devices, and impacts of computing (e.g., social, ethical, legal) – impacts of computing topics may be included within courses that cover any of the other content areas.

**English:** grammar or language structure, composition, and literature

**Health Science:** substance abuse (including alcohol, drug, and tobacco); family life education (including human sexuality, HIV/AIDS, and sexually transmitted diseases); nutrition; comprehensive school health systems or programs; and health education theory, behavior, or foundations

**Home Economics:** food and nutrition, clothing, child development, and family life and parenting (Course of study must include course work in both food and nutrition, but the areas may be covered with one course; the same is true for the family life and parenting area. At least one course must include a laboratory component.)

**Industrial Arts:** drafting or graphic arts, woods or metals, and electricity or electronics

**Language other than English (Specify):** grammar, composition, conversation, and literature, plus oral language proficiency (See below for information on verifying the oral language requirement.)

**Mathematics:** algebra, geometry, and development of the real number system or introduction to mathematics; or three courses in calculus or other mathematics courses for which intermediate algebra and geometry are prerequisites

**Music:** vocal music, instrumental music, music history or appreciation, and music theory

**Physical Education:** team sports and games; fundamental and creative movement skills (such as dance and gymnastics); human movement, motor development, and/or motor learning; and individual, dual, nontraditional and global sports and games (such as aquatics, conditioning, and archery)

**Science:** biological sciences, chemistry, geosciences, and physics (Course of study must include a one-year sequence of courses in at least two of the listed subject areas. At least one course must include a laboratory component.)

**Social Science:** United States history, California history, world history, geography, and United States government

**How to Apply**
Applications for adding supplementary authorization content areas to a credential may be submitted to the Commission by mail including the following items:

1. A completed application (form 41-4)
2. Official transcripts verifying qualifying degree held or coursework completed. You may be required to submit photocopies of the catalog course descriptions or a course syllabus if the content of any course you wish to use to qualify for a supplementary authorization is not clear from the course title.
3. Application processing fee

**Oral Language Proficiency**
Oral language proficiency in the language to be listed on the credential may be verified by one of the following:

- Passage of the Language and Communication subtest of the California Subject Examinations for Teachers (CSET) in World Languages (Languages other than English-LOTE)

- Obtain a letter from the chair of the Language Department of a regionally-accredited four year college or university stating that the applicant’s oral proficiency is equivalent to that of a person with a bachelor’s degree with a major in that language
Obtain a letter from the person authorized to issue verification at a college or university that has an approved Bilingual Authorization program stating that the applicant's proficiency in the language to be listed on the credential is equivalent to the level required to complete that program

**Supplementary Authorization in Portuguese**

Teachers seeking a supplementary authorization in Portuguese may also fulfill the oral language proficiency requirement by verifying passage of the Bilingual assessment administered by the following Commission-approved assessor agency:

California State University, Stanislaus  
1 University Circle  
Turlock, CA 95382  
(209) 667-3638  
Contact: Dr. Elmano Costa  
CSU Stanislaus Center for Portuguese Studies
