Transition from Full-Time/Part-Time Credentials
Assembly Bill (AB) 1374 (Chap. 36, Stats. 2010) was signed by the Governor on July 6, 2010 and became effective on January 1, 2011. AB 1374 amended Education Code §§44260.2 and 44260.3 related to the issuance of adult education credentials:

- Reduces the years of experience required for general subjects (formerly termed ‘non-academic’ subjects) from five years to three years;
- Reduces the term of the preliminary credential from five years to three years;
- Moves the U.S. Constitution requirement from the preliminary to clear credential;
- Deletes Education Code section 44260.8 related to the health education and computer education requirements and incorporates that language into EC section 44260.3 pertaining to the requirements for the clear credential; and
- Consolidates the ‘full-time’ and ‘part-time’ designators.

Holders of Life or Clear Designated Subjects Adult Education Teaching Credentials issued under previous regulations may choose to either maintain their documents or transition to adult education credentials issued under the provisions of AB 1374. Due to significant changes to the program standards and structure, the holder of a Life or Clear Designated Subjects Adult Education Teaching Credential issued under previous regulations may not qualify initially for the Clear Adult Education Teaching Credential under the new program standards and may be required to first obtain the Three-Year Preliminary Adult Education Teaching Credential.

Holders of Five-Year Preliminary (Full-Time or Part-Time) Adult Education Teaching Credentials may complete the renewal requirements printed on their documents or transition to an adult education credential issued under the provisions of AB 1374. Individuals who wish to transition to Three-Year Preliminary or Clear Adult Education Teaching Credentials issued via the provisions of AB 1374 should contact a Commission-approved program sponsor for assistance.

Important Dates:
**Requested credential issue date of January 1, 2011** – All Preliminary and Clear Adult Education Teaching Credential applications must be submitted to the Commission for processing by an approved program sponsor. The option of submitting applications through an employing school district is no longer available for adult education credential applications with a requested issue date of January 1, 2011 or later.
January 31, 2013 – Last date for admittance to an ‘old’ adult education program and for initial issuance of Five-Year Preliminary Full-Time or Part-Time Adult Education Teaching Credentials based on five years of experience and/or education.

January 31, 2016 – Last date for initial issuance of Clear Full-Time or Part-Time Adult Education Teaching Credentials under the ‘old’ program standards.

**TERMS AND DEFINITIONS**

**Experience**
Per Title 5, Section 80034(n), “experience” as it applies to Designated Subjects Adult Education Teaching Credentials, means full-time or part-time experience directly related to the subject to be named on the credential. Experience may be paid or not paid. No more than one year of experience shall apply toward meeting designated subjects credential requirements during any twelve calendar month period. 1000 clock hours shall be the minimum required for each year of experience. Part-time experience may be cumulated to equate to the required 1000 clock hours of experience.

**Verification of Work Experience**
Title 5 Regulations require verification of five years of experience or its equivalent related to each subject to be named on the credential. Verification of experience means written confirmation of the applicant’s qualifying experience, signed by the applicant’s past or present employer(s) on company letterhead that attests to and includes all of the following:

1. Employer’s name, address, and telephone number
2. The working relationship of the person signing the verification to the applicant
3. Beginning and ending dates of employment
4. Complete description of duties
5. A statement as to whether or not the employment was full-time. If employment was less than full-time, include an accounting of the number of hours the applicant was employed.

If the applicant was self-employed or if the applicant’s experience was a vocational, verification shall include a statement, signed by the applicant under penalty of perjury, detailing the information described under Requirements (1-5 for full-time and 1-4 for part-time). Further substantiation is required in writing, by other person(s) having first-hand knowledge of the applicant’s self-employment or vocation, such as the applicant’s accountant, major supplier of goods, or major user of goods or services.

**Valid Preliminary Adult Education Teaching Credential**
For the purposes of the Designated Subjects Adult Education Teaching Credential, the term “valid” means that the holder met the requirements to have held the preliminary credential which afforded the individual the opportunity to gain the necessary experience and to complete academic requirements to earn the clear credential. It does not mean that the document must be active date-wise when applying for the clear credential.
