In addition, the holder may serve as a substitute in courses organized primarily for adults for not more than 30 days for any one teacher during the school year.

Adult Education Teaching Credentials are issued to individuals who meet the requirements listed below and are recommended by either a Commission-approved Local Education Agency (LEA) or by an Employing School District (ESD). A list of approved LEAs ([CL-506](#)) may be obtained from the Commission's website.

2. High school diploma requirement by one of the following methods:

 - b. diploma based on passage of the GED Test
 - c. foreign equivalent of a high school diploma
3. Satisfy the [basic skills requirement](#). See Commission leaflet [CL-667](#), entitled *Basic Skills Requirement* for additional information. Applicants for the Adult Credential in *non-academic subjects* (see chart later in this leaflet) are exempt from the basic skills requirement.

Period of Validity (Full-Time)

For individuals who have completed all requirements for the preliminary except for U.S. Constitution, the initial preliminary full-time credential will be valid for one year. The credential may be extended to its full five year term upon application, processing fee, and verification that the U.S. Constitution requirement has been met.

For individuals who have completed all requirements for the preliminary credential, the initial preliminary credential will be valid for no more than two years from the date of issuance of the credential unless the holder's employer receives form CL-787, entitled *Verification of Completion of Level I Requirements*, from the LEA through which the holder completed those requirements. Once the holder's employer receives this

verification, the credential's validity period will automatically be extended for the remainder of the five year period from the date of issuance of the credential. **There is no need to apply for this extension.**

The LEA's verification of completion of Level I requirements is the only documentation required in this process. If the credential holder's ESD is not known to the LEA, form CL-787 will be sent directly to the credential holder for forwarding to the employer. The LEA shall also submit this form directly to the Commission to assist in documenting that the holder completed Level I requirements.
