

Career Technical Education 2007 Advisory Panel Charge

1. Review vocational education credential requirements to determine if they are appropriate to meet the need for teachers in today's K-12 schools. Recommend new or modified requirements where necessary.
2. Review credential types and authorizations for alignment to the adopted 2005 California Career and Technical Education Standards and the current instructional needs for K-12 vocational education teachers. Recommend changes to the current types and authorizations consistent with these.
3. Review and update vocational education teacher preparation program standards to be consistent with California statutes and current research-based best practices for teachers. Recommend updated standards and program requirements to the Commission.
