STAFF REPORT
Administrator, Teri Clark introduced Consultant, Marilynn Fairgood who gave updates on the quarterly reports submitted by Argosy University and Alliant University in compliance with the request made by the COA as part of the Accreditation findings of Probationary Stipulation for each or the institutions. Ms. Fairgood noted that both are making progress toward meeting the stipulations set forth by the COA last spring.

Administrator Clark mentioned that due to cuts in the state budget, there will be enforced furloughs of some CTC staff, while others (Consultants and Administrative personnel) will continue to work but will receive a 10% cut in pay. At this point in time, the plan is for the Commission office to shut down the first and third Friday of every month until otherwise advised by the governor.

BIR training was held in Riverside January 10-14. There are a lot of new BIR members ready to serve both on accreditation visits and in reading reports and reviewing submitted data collection. There will also be four short (3 hour) “Update” sessions for BIR members travelling to accreditation sites this spring which will cover the changes in the accreditation visit process. These Update Sessions will be held in late January and early February. BIR members will be able to attend either in person or can view the webcast. A five hour Update Session will also be held for the Team Leads for each scheduled accreditation site visit.

Nominations are now open for three new COA members to replace those members who will be “termed out” in June. There are openings for two IHE representatives and one K-12 representative. Administrator Clark mentioned that there has been a change in the nominating
panel and that Commission appointees Barbara Merino and Sue Stickel will be serving on the nomination panel.

The 2042 Common Standards will be going to the Commission for adoption at the January 29, 2009 Commission meeting. The Clear Credential Standards will be presented to the Commission at the same meeting as an information item and is expected to come back to the Commission for adoption at the March, 2009 Commission meeting. The CSTP panel has a draft which will also be going to the Commission as an information item at the January meeting. The panel will meet in April and then present the CSTPs to the Commission as an action item at a later date.

Administrator of Accreditation, Teri Clark and PSD Director, Larry Birch will be going to San Jose State University on January 16 to meet with NCATE for an exploratory discussion about shortening and streamlining the accrediting process. One of the items which will be covered is the option of programs submitting PACT data in place of program assessment.

Administrator Clark brought the COA up to date regarding upcoming accreditation visit and revisits. There are 7 revisits to be made based on accreditation decisions made in the 2007-08 year. All of the 08-09 visits have team leads and teams have been assigned. Consultants have already been assigned their programs and visit dates for the 2009-10 accreditation year.
