

## Notification to COA of Late Documents October 2015

### Overview

This item provides information to the COA regarding institutions that have not complied with the timelines of the Accreditation Cycle.

### Staff Recommendation

This is for information only.

### Background

At the August 2014 meeting the COA requested information regarding institutions that are not complying with accreditation timelines, commencing with the Indigo Biennial Report Submission which was due September 15, 2014.

There are 33 institutions in the Blue Cohort that sponsor 101 programs. All but 6 institutions (16 programs) submitted Biennial Reports on time. Five institutions are still outstanding and one institution submitted late.

The table below provides information about late Biennial Reports. Staff is contacting each of these sponsors to request the report. An extraordinary fee will be assessed because of the additional staff work to gather late documents.
