SUBJECT: Examination Score Standards and
Appeal Procedures - UPDATE

In order to keep all candidates and constituents informed after each test administration, the Commission updates its examination score and appeal standards. Enclosed is a copy of the Examination Appeal Process and current Score Standards, which apply to examinations taken prior to January 1, 1978.

It is important that a candidate be informed that two fees are required when using the appeal process: a \$20 processing fee for the appeal, and a \$20 application fee for the credential.

I would appreciate it if you would circulate this information to the appropriate people on your staff and encourage them to make copies available for all candidates. Credential analysts and testing officers also should be encouraged to give copies to the students with whom they deal.

If you have any questions regarding these policies and procedures, please call Mrs. Marjorie B. Brodt at (916) 322-2304 or ATSS 8-492-2304.

EXAMINATION APPEAL PROCESS *

The Commission for Teacher Preparation and Licensing, at its January 1977 meeting, adopted Examination Appeal Regulations. This appeal process is applicable only to examinations relating to the multiple and single subject teaching credentials. This updates our letter dated September 9, 1977 listing the minimum scores required for an appeal, by including the minimum score standards for the November 1977 administration of the examination.

The adopted appeal procedure states that:

Effective July 1, 1976, the Common Examination scores may be considered for appeal if all of the following (1, 2, and 3) are met:

- (1) the score is at least equivalent to the 25th percentile among California candidates at the same test administration;
- (2) the candidate has either -
 - (a) an overall grade point average of 3.0, or
 - (b) an excess score in one area of the Common Examinations equivalent to at least twice the shortage in the area(s) in question;
- (3) a grade point average of 2.5 has been earned in at least 12 semester hours of course work in the area(s) in question.

Effective July 1, 1976, Single Subject Matter Area Examinations scores may be considered for appeal if all of the following are met:

- (1) the score is at least equivalent to the 40th percentile among California candidates at the same test administration provided that at least 100 California candidates take the examination; if fewer than 100 California candidates take the examination, the score must be equivalent to the 40th percentile among national examinees at that test administration;
- (2) the candidate has an overall grade point average of 2.5;
- (3) the candidate has a grade point average of 3.0 in at least 18 semester hours of course work in the subject area for which the examination is to be waived;

and

effective November 3, 1977, the Single Subject Matter Agriculture Area Examination score may be considered for appeal if all of the following criteria are met:

- (1) a formula score equivalent to passing 40th percentile of the items;
- (2) an overall grade point average of 2.5;
- (3) a grade point average of 3.0 in at least 18 semester hours of course work in the subject area for which the examination is to be waived.

Commission policy provides that anyone meeting these standards who took the examination after July 1, 1974 may request an appeal by writing to the Commission; providing evidence required above, including a copy of the report of scores and complete transcripts; and submitting the required \$20 processing fee for each examination to be considered. This fee is not refundable. Scores will remain valid and may be used for appeal purposes for two years following the date of the examination on which the score was achieved.

If an applicant fails a subject matter examination and does not meet the standards stated in 1, 2 and 3 above, he may appeal by requesting to be examined by a Board of Examiners. Such an appeal shall be in writing and shall include all of the following:

- (1) verification that appellant has failed the examination and does not meet the standards stated in 1, 2 and 3 above;
 - (2) agreement by the appellant to pay the costs for impaneling and operating the Board of Examiners.
-

This fee will be the actual costs to assemble a Board of Examiners. A maximum fee of \$250 must be paid prior to the scheduling of the examination. After actual costs have been determined, a refund of any unearned portion of the fee will be paid to the applicant.

The Commission shall appoint Boards of Examiners as appropriate, each consisting of not more than six persons drawn equally from practicing public school teachers and full-time higher education faculty in the subjects or field(s) in which the candidate wishes to be examined. All examinations held by such Boards shall be executive and closed sessions with only Board members, Commission members and staff, and the applicant permitted to attend. The recommendations of each Board of Examiners shall be in writing. A copy of such recommendations shall be transmitted to the Commission and the Commission will notify applicants of its decision by registered mail within 30 days after the Commission considers the recommendations of the Board.

The oral examination will be given at a location or locations designated by the Commission. No more than two such examinations shall be scheduled in one year for each subject matter area. This oral examination shall cover the substance specified in the adopted Scope and Content Statement appropriate to the subject matter area being examined, and shall be scheduled for no longer than three hours.

*Adapted from California Administrative Code, Title 5,
Sections 5941-5941.5.

A candidate meeting appeal standards must

- (1) send a written request for an appeal with the required \$20 processing fee. This fee is not refundable.
- (2) include copies of the N.T.E. test results.
- (3) send transcripts of all collegiate coursework. Transcripts should be secured from each separate college attended.

NOTE: After a successful appeal, the only fee required will be the \$20 application fee. To speed processing, include a copy of the notification letter from this office with the application materials.
