TO: Deans and Directors of Teacher Education
of IHE's with Approved Programs for the
Special Education Specialist Instruction
Credential and/or the Clinical-Rehabilitative
Credential Authorizing Service in Language,
Speech, and Hearing and/or Audiology

FROM: Peter L. LoPresti, Executive Secretary

SUBJECT: Survey of February-August Graduates for Credentials
in Special Education or Clinical Rehabilitation

Given the increased demand of personnel in Special Education because of AB 1250 and PL 94-142, the Commission for Teacher Preparation and Licensing is attempting to determine the number of new graduates available as of September 1978 in the following specializations:

Learning Handicapped
Severely Handicapped
Physically Handicapped
Communication Handicapped
Gifted

Clinical Rehabilitative Services in Language, Speech,
Hearing and/or Audiology
Clinical Rehabilitative Services in Language, Speech
and Hearing with a Special Class Authorization

I have attached a form for you to use in recording this information. We plan to share information as to the institution, the credential, and the number of individuals that will be recommended for the credential with the California Association for Neurologically Handicapped Children (CANHC), the California Association of Speech and Hearing, as well as other professional organizations.

If you have further questions regarding this request, please contact me or Dr. Finkbeiner at (916) 322-2638 (ATSS 492-2638). I thank you in advance for this effort and can assure you we will work diligently to support the implementation of these two important pieces of legislation.
