

## **Division VIII of Title 5 of the California Code of Regulations**

### **Proposed Addition and Amendments to Title 5 of the California Code of Regulations Pertaining to Adding a New Teaching or Content area to an Existing General Education Teaching Credential**

#### **Final Statement of Reasons**

##### **Public Problem**

There is no change to the public problem information since the original submission of the Initial Statement of Reasons.

##### **Purpose of Proposed Action**

There is no change from the original purpose of the proposed action in the Initial Statement of Reasons.

##### **Updated Tally of Responses**

The Commission received the following written responses to the public announcement:

1. Name: Sharie D Ortega, Credentials Supervisor, Imperial County Office of Education  
Summary of Comments: Statement of Support
2. Name: Susana Fernandez, Support Services Manager, Orange County Office of Education  
Summary of Comments: Statement of Support

The Commission received the following oral comment during the public hearing:

3. Name: Jenny Teresi, Riverside County Office of Education  
Summary of Comments: Thank you for adding all English learner authorizations and allowing veteran teachers to apply through this option.

**Grand Total of Responses: 3**

##### **Consideration of Alternatives**

The Commission has determined that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

**Mandated Costs**

These proposed regulations will not impose a mandate on local agencies or school districts that must be reimbursed in accordance with Part 7 (commencing with section 17500) of the Government Code.
