AB 1374 (Brownley) Adult education: teaching credentials

Introduced: 02/27/2009

Last Amended: 03/08/2010

Location: SENATE EDUCATION COMMITTEE

Summary: This bill would revise existing law pertaining to Designated Subjects Adult Education teaching credentials by making the following changes:

1. Change the term of the preliminary credential from 5 years to 3 years;
2. Differentiate the requirements for academic and nonacademic subjects to be listed on credential documents;
3. Move existing language for the United States Constitution requirement from the preliminary credential to the clear credential section;
4. Move a separate section that provides specified minimum requirements for the Clear Designated Subjects Adult Education teaching credential with regard to the study of health education and the use of computer-based technology in education setting to incorporate it into the overall section on requirements for the Clear Designated Subjects Adult Education teaching credential;
5. Add a separate section of "grandfathering" language specifying that a credential, permit, certificate or other document issued by the Commission would remain in force in accordance with existing laws and regulations and would be exempt from new laws and regulations, except when specified.

Support If Amended

AB 1223 (Block) Linked Learning

Introduced: 02/27/2009

Last Amended: 01/25/2010

Location: SENATE EDUCATION COMMITTEE

Summary: This bill would authorize the Commission to do the following:

1. Convene a workgroup consisting of specified members to develop program standards for the issuance of a "recognition of study" for linked learning competence for holders of a single subject teaching credential.

2. Work with the Superintendent of Public Instruction to gather and post, on an appropriate Internet Web site, best practices from school districts and schools on curriculum development and professional development relating to implementing and sustaining multiple pathway (linked learning) programs.
