SB 15 (Block) Postsecondary education: financial aid

Introduced: December 1, 2014

Last Amended: March 25, 2015

Status: Held in Assembly Committee on Higher Education. 2 year bill

Summary: This bill would increase the total number of Competitive Cal Grant A and B awards granted annually to 30,000 and would increase the maximum tuition award amount for Cal Grant A and B for students at private nonprofit postsecondary educational institutions to \$9,084 for the 2015-16 award year and each award year thereafter. The bill would also establish, commencing with the 2015-16 academic year, the Graduations Incentive Grant program to provide eligible matriculating undergraduate students of California State University (CSU) with financial need attending a campus of the CSU with financial aid for up to three

college years, specified eligibility criteria and require the CSU to make an annual report to the Legislature. The program would only be operative in a fiscal year if the Trustees of the California State University determine that sufficient funding has been provided for purposes of the program for that fiscal year in the annual Budget Act or another status. The bill includes Legislative intent language to appropriate funds for the 2015-16 fiscal year to the University of California (UC) to eliminate a specified tuition increase and to appropriate funds to both the UC and the CSU to provide additional course offerings and support services for students.

Additional notes: This bill is intended to enact policy changes recommended in the Senate's December 2014 comprehensive plan for higher education in California.

SB 62 (Pavley) Student financial aid: Assumption Programs of Loans for Education: Governor's Teaching Fellowships Program

Introduced: December 30, 2014

Last Amended: June 2, 2015

Status: Awaiting hearing in the Assembly Appropriations committee

Summary: This bill would among other things, require a participant in the Assumption Program of Loans for Education to teach in a teaching field with a critical shortage of teachers and to demonstrate financial need and revise the information that the Superintendent of Public Instruction (SPI) is required to furnish to the California Student Aid Commission (CSAC) annually regarding the program. The bill would require the program to continue to be implemented as it read on January 1, 2015, for the allocation of funds for loan assumption agreements made before January 1, 2015, and collecting payments from former program participants required to repay program costs as of January 1, 2016, for failing to satisfy the program's requirements. The implementation of the revised program would be contingent upon an appropriation in the annual Budget Act and would require that not more than 1,000 loan assumption agreements be awarded in any academic year.

Additional notes: Received unanimous support in the Senate and Assembly policy committee.
