Redeveloped CalTPA Field Test– Participant Waiver Request

Introduction

This agenda item provides an institution that meets the criteria to participate in the California Teaching Performance Assessment (CalTPA) field test and that has submitted a waiver request to waive the TPA requirement for their candidates who successfully complete the redeveloped CalTPA field test and meet the performance level set by the Commission.

Redeveloped CalTPA

The Commission’s model, CalTPA, has been approved for use in California since 2008, and is currently being redeveloped and updated. New assessment tasks and analytic scoring rubrics have been developed to assess the revised TPEs and are being finalized in preparation for a field test in spring 2018.

Twenty-seven institutions were approved by the Commission in June 2017 for participation in the field test of the redeveloped CalTPA, which will provide an opportunity to collect data about the teaching performance of approximately **900** candidates across a sample of institutions that reflect the diversity of program types, sizes, and candidates served by institutions, and service areas in California. The field test plan developed by ES and approved by Commission staff identifies the following content areas and target number of responses needed for the field test:

Field Test Participants	
Content Area	Projections*
Multiple Subject	512
English	101
English Language Development	0
History/Social Science	53
Mathematics	49
Science	53
Art	14
Agriculture	17
Business	0
Health	1
Home Economics	0
Industrial and Technology Education	0
Music	18
Physical Education	36
World Languages	23
Undeclared (CSUDH)	14
Total Target Field Test Responses	891

*as of 1/17/2018

The institution request provided in this agenda item meets the following criteria which were adopted by the Commission in [June 2017](#) and [December 2017](#).

Participation Criteria

1. The institution is in good standing with the Commission and the Preliminary Multiple and Single Subject Credential Programs meet all standards.
2. The institution agrees to fully participate in the field test, which requires:
 - a. Working with Evaluation Systems (ES) and Commission staff to select a diverse group of candidates to pilot the redeveloped CalTPA by January 2017.
 - b. Providing the same level of support for field test participants as is provided to all other MS/SS candidates in preparation for a TPA based on the newly revised TPEs.
 - c. Ensuring that all participating candidates have fair and equitable opportunity to complete both cycles of the redeveloped CalTPA and submit scoreable evidence to ES by April 2018.
 - d. Providing field test participants who do not meet the expected performance level on both cycles of the redeveloped CalTPA with remedial support and the opportunity to complete the institution's current approved TPA or retake the redeveloped CalTPA once it becomes fully operational fall 2018.
3. The institution contributes to an appropriately diverse pool of field test participants that includes different types of programs and program structures, candidates, geographic regions, and content areas.

Commission staff is seeking additional Home Economics, Business, ELD, Health, and ITE candidates to meet the target number of responses in each content area.

Staff Recommendation

Staff recommends that the Commission approve the waiver request from Brandman University to waive the TPA requirement for their candidates who successfully complete the redeveloped CalTPA field test and meet the performance level set by the Commission.
