To Whom It May Concern:

I am writing to strongly recommend Darrel Woo for a position on the Committee of Credentials of the Commission on Teacher Credentialing. I have known and worked with Darrel for many years. He was one of my law school professors. Subsequently, we worked together on the Sacramento City Unified School District Board and on the City of Sacramento Planning Commission. Presently, Darrel is my alternate on the Sacramento County Library Authority. I know him well and consider him a friend and mentor.

Darrel is held in the highest regard in the Sacramento community. He has volunteered his time on various boards and commissions, including the Board of Sacramento OCA, and as a founding member of the Board of My Sisters House. Every board upon which he has served has been improved by his participation. His knowledge of the law and of education makes him a perfect candidate for the Committee of Credentials. Beyond his practical knowledge, Darrel is a very thoughtful, ethical, and principled person.

I recommend him without reservation. Please seriously consider appointing Darrel Woo to the Committee of Credentials.
