### **Introduction**

The Commission makes appointments to the Committee of Credentials (Committee) pursuant to Education Code section 44240. This item presents information concerning the expected vacancies for four positions on the Committee and appointment of a substitute member to the Committee.

### **Background**

The Committee is comprised of seven members appointed by the Commission and consists of one elementary teacher, one secondary teacher, one school board member, one school administrator employee, and three public representatives.

The Commission's Professional Practices Committee is responsible for informing "the Commission when vacancies occur or may be expected to occur on the Committee of Credentials." (CTC Policy Manual §510).

Effective January 1, 2019, subdivision (b)(2) was added to Education Code section 44240. It provides that the Commission "may also establish a substitute list of individuals qualified pursuant to subdivision (a) who have at least 12 months of prior experience serving on the committee. The commission may designate an individual on the substitute list as a short-term substitute in the temporary absence of a regular member."

### **Committee of Credentials Members**

The terms of School Board Member Ray Prock Jr. and Elementary Teacher Mandy Redfern expire on June 30, 2022.

Mandy Redfern is unavailable to serve another two-year term. It is unknown if Ray Prock Jr. is available to serve another two-year term as he was only recently appointed to the Committee, and his first meeting will be December 2021. If Ray Prock Jr. is available to serve another two-year term, staff will inform the Commission accordingly. In regard to the two public member vacancies (below), the Ad Hoc Committee will interview applicants in December 2021 and make a recommendation to the Commission.

# Proposed Amendments to Title 5 of the California Code of Regulations Pertaining Examination Fees

---

---

## Introduction

This rulemaking action proposes the following:

- Nonsubstantive amendment to section 80487(a)(2) to correct a typo.
- Repeal section 80487(a)(4) which currently lists the outdated fee for the California Basic Educational Skills Test (CBEST)
- Nonsubstantive amendment to sections 80487(a)(5)-(7) to update numbering.
- Amend section 80071.4(j) to remove an incorrect cross reference.

## Background

At the [April 2021](#) meeting the Commission acted to retire the paper-based examination and remove the fee from regulations. In addition to removing the paper-based fee from regulations staff are also proposing additional edits to regulations to improve clarity and correct numbering and references between sets of regulations.

## Summary of Proposed Amendments

Below is a summary of the amendments in this regulation proposal. The proposed regulation text is available in [Appendix A](#).

### ***Amend 80487(a)(2)***

This nonsubstantive amendment is necessary to correct spelling error for the word “Eligibility.”

### ***Repeal 80487(a)(4)***

Due to the COVID-19 pandemic, the last paper-based California Basic Educational Skills Test (CBEST) was administered in February 2020. To support examinees who otherwise would take the CBEST in large venues, Evaluation Systems added an online proctoring option for examinees and sub-divided the CBEST, thus opening appointments at Pearson Vue testing centers. Additionally, AB 130 added a coursework option for candidates to demonstrate basic skills competence.

Considering the uncertainty of returning to the “normal” of large-scale examination venues, the additions of opportunities for candidates to take the CBEST in other venues, and the added options to show basic skills competence, the Commission has negotiated with Evaluation Systems to eliminate the paper-based CBEST. The \$41 fee in regulations is the fee for the paper based CBEST; because the paper-based CBEST will be eliminated, the \$41 fee must be removed from regulations.

***Amend 80487(a)(5)-(7)***

This nonsubstantive amendment is necessary to update the numbering in this section.

***Amend 80071.4(j)***

The reference to section 80487(a)(5) is incorrect, as the current (a)(5) section pertains to the cost to reimburse the Commission for the amount charged by the Federal Bureau of Investigation for furnishing criminal history. Removing the last sentence with the incorrect reference will improve clarity and consistency for these and related regulations. Additionally, the fee to retake the CBEST examination has been the same fee to initially take the exam since the inception of the CBEST exam. The fee for the exam does not change for a retake.

**Staff Recommendation**

Staff recommends that the Commission adopt the proposed amendments to regulations.

**Next Steps**

If approved by the Commission, staff will issue a 45-day notice and complete the rulemaking packet for submission to the Office of Administrative Law.

The special administration will be scheduled by the Commission as soon as possible, consistent with the district's schedule for compliance with the requirements of sections 80071.4(h)(1)(B), (h)(1)(C), and (h)(2)(C) below, except that no special administration will be scheduled in the period three calendar weeks before a scheduled regular administration. - (i) No special administration will be scheduled for a college or university.

- (n) The Commission will not consider appeals by credential applicants who have failed to achieve the passing standard established by the Commission at the time the CBEST has been most recently attempted.
- (o) The Commission will issue annually a report on the passing rates of various groups on the CBEST, including passing rates by institution attended.
