- (2) One member who shall be a full-time certified classroom teacher in the public secondary schools with not less than five years of classroom experience.
- (3) One member who shall be a certified administrative employee in the public schools.
- (4) One member who shall be a member of the governing board of a school district. A member of the governing board of a school district whose tenure on the governing board ends while serving a term on the committee may continue to serve the remainder of the term on the committee, but shall be ineligible for reappointment to the committee pursuant to this paragraph.
- (5) Three members who shall be representatives of the public. No person who is currently employed in a certificated position in the public schools or who is currently a member of the governing board of a school district or a county board of education shall be appointed as a public member.

(b) (1) (A) The commission may establish an alternate list of individuals qualified pursuant to subdivision (a) for the purpose of filling an unanticipated vacancy on the Committee of Credentials.
