1020 O STREET
SACRAMENTO 95814
/445-0176

November 15, 1978

78-7917

TO: Registrar, Director of Placement,
Education Department Chairperson, or
Other Appropriate Officer

FROM: Peter L. LoPresti, 
Executive Secretary

SUBJECT: National Education Association - 1979 Teacher
Supply and Demand Study

The National Education Association has again asked us to assist them with the distribution and collection of information for their 1979 study of teacher supply and demand in public schools.

Would you please complete the enclosed TS&D Form I and return the form to us at the above address by February 5, 1979. Your participation in this annual study contributes to accurate estimates of the supply and occupational status of recent graduates prepared to teach. We appreciate your assistance.

We will be sending you the summary for 1978 when we receive it--which should be before the end of the year.
