SUBJECT: Directory of Bilingual/Cross-Cultural Teachers

This is the third annual directory of bilingual/cross-cultural teachers which the Commission for Teacher Preparation and Licensing has prepared to assist prospective employers in recruiting available bilingual teachers.

Included in the directory are names, addresses, language competency, certification type and other information which may be useful to you. Regulations adopted by the State Board of Education relating to requests for waivers will describe the manner in which the directory is to be used.

As in the past, I hope you continue to make recommendations designed to improve the services provided by the directory. Presently each individual listed is sent a questionnaire to be returned with current address, availability, and geographic preference. Such information is provided for those who returned the questionnaire in time for the publication deadline. Data returned to the Commission's offices after October 15, 1978 will be included in the next issue of the directory scheduled to be distributed in June, 1979.

You will be interested in knowing that this issue of the directory lists approximately 4,000 individuals holding bilingual credentials as compared to the 1,800 listed in the April 27, 1978 directory. Not listed in this present directory are 90 individuals who requested that their names not be published.

If you have any questions about this directory or need assistance in its use please contact Dr. Gustavo Getner at (916) 445-6772.
