OFFICE OF THE EXECUTIVE SECRETARY

December 12, 1979

79-8037

TO: Deans of Education and Directors of Teacher Preparation Programs

FROM: Peter L. LoPresti

SUBJECT: Schedule for Commission for Teacher Preparation and Licensing  
Program Evaluation Team Visits

The attached schedule was adopted by the Commission for Teacher Preparation and Licensing on December 9, 1979 and replaces all previous schedules for the assessment of professional preparation programs. Although unforeseen circumstances may necessitate revisions in this schedule in the future, you should consider it final at least through fiscal year 1981-82. The Commission will continue to provide updated schedules annually.

If your institution appears on the schedule, I would suggest that you become familiar with the revised procedures for the approval and evaluation of professional preparation programs, so that you can begin preparing for the team visit to your campus. Please direct all questions regarding evaluation team procedures to Dr. David M. Greene, Manager of Program Evaluation, (916) 445-3223.

\*The School of Education faculty of the University of Southern California has expressed an interest in exploring a cooperative review, utilizing the accreditation process of the National Council for Accreditation of Teacher Education (NCATE) which will be implemented on their campus in March, 1980. Since our plan for program approval and evaluation permits arrangements with other accrediting bodies, staff is attempting to schedule discussions with NCATE and University of Southern California to determine if mutually beneficial procedures that are acceptable to the Commission can be developed. If such an arrangement can be developed, it will permit us to review an additional eleven programs this year.
