Subject: Amendment of Section 80487 of Title 5, California Code of
Regulations, Pertaining to Fees

The Office of Administrative Law has approved the amendment to Title 5, Section 80487, which increases the credential application fee from \$60 to \$65, effective September 1, 1992.

This five dollar credential application fee increase will directly effect the cost of duplicate credentials, Certificates of Clearance, and name changes on credentials, which are established at one-half of the credential application fee. Effective September 1, 1992, the fee for duplicates and name changes will be \$32.50. Also effective September 1, 1992, the fee for the Certificate of Clearance will be a total of \$82.50, but the \$32.50 will be credited to the individual towards his or her next credential application.

A credential application file-dated at a school district, office of the county superintendent, or approved institution of higher education prior to September 1, 1992 and submitted to the Commission within 6 months of that filing date, will be accepted with a \$60 fee.
