

Evaluation of the California Classified School Employee Teacher Credentialing Program

An award of \$250,000 is conditionally funded to Shasta College to conduct an evaluation to determine the success of the California Classified School Employee Teacher Credentialing Program ("Classified Program"). The Classified Program was designed to support Local Education Agencies to recruit classified school employees into teaching careers and support their undergraduate education, professional teacher preparation and certification as credentialed California teachers.

The awardee is conditionally funded pending receipt of additional information.
