

Request for CTC Data

The Commission has [individual credential data available on its website](#) that can be searched by the public. Many aggregated data reports are published on the [CTC reports web page](#) and are available to the public.

If the necessary data is not available through one of the options above, an individual may submit a **Request for CTC Data**. As provided in the Public Records Act, a fee may be charged for the computer programming time or for copying costs (\$0.10 per page will be charged for any copies provided).

With the exception of SSN and home address, information displayed on credential documents is public information and may be disclosed. In addition, pursuant to Education Code § 44230 the Commission may disclose the last known business address. Information may also be disclosed to other State or Federal agencies as authorized by law. Personal information may be disclosed to the public only with the individual's permission or in accordance with the law.
