

CREENTIAL INFORMATION ALERT

DATE: 2-22-06

NUMBER: 06-02

SUBJECT: Discontinuation of the printing of Professional Growth Manuals

At its April 2005 meeting, the Commission took action to no longer issue hard copies of the Professional Growth Manuals. The Commission website and Credential Information Guide (CIG) maintains these manuals for easy viewing and downloading. The documents available on the web and CIG are the most current and up to date.

Below you will find web links to all of the Professional Growth Manuals:
