COMMITTEE OF CREDENTIALS

The Commission on Teacher Credentialing invites applications from qualified persons to serve in the Elementary Teacher position on the Committee of Credentials.

Final Filing Date: Until Filled

Requirements for Applicants

The Commission on Teacher Credentialing (CTC) is seeking appointment to fill the following alternate positions:

Three (3) alternate positions for an Elementary Teacher. Applicants must be a *full-time certified classroom teacher* in the public elementary schools with no less than five (5) years of classroom experience.

The Work of the Committee

A member of the Committee of Credentials (Committee) participates in meetings to review allegations of misconduct and unfitness to teach for which applicants for issuance of credentials may be denied, or holders of credentials may be privately admonished, publicly reprimanded, suspended or revoked.

The Committee meets once a month to carefully review investigations into the fitness of the persons to perform the duties authorized by the credential applied for or held. The Committee then makes a decision whether or not to recommend discipline.

Selection Procedure

The procedure will consist of an initial review of applications for selection of candidates to be interviewed by the CCTC. Applicants selected for an interview will receive written notice.

In addition to evaluation of an applicant's relative abilities as demonstrated by quality and breadth of experience, emphasis in the interview will be on the evaluation of each applicant's:

A. Knowledge of:

1. Community standards of behavior as applied to certificated public school employees.
2. Community attitudes toward public school education.
3. Circumstances and conditions under which certificated persons are employed.
4. Evaluation of evidence.
5. Elementary parliamentary procedure.

B. Ability to:

1. Analyze, appraise, and apply sound judgment regarding allegations of misconduct and unfitness to teach.
2. Read and comprehend investigative files in a limited amount of time.
3. Maintain a fair and impartial attitude without bias or prejudice.
4. Communicate effectively.
5. Establish and maintain cooperative working relationships with other Committee members and staff.
6. Demonstrate sensitivity to the rights and concerns of the public, the teaching profession, school employers and persons charged with misconduct.

SPECIFIC INSTRUCTIONS AND INFORMATION TO APPLICANTS FOR APPOINTMENT TO THE COMMITTEE OF CREDENTIALS

Why this application is required of all persons who wish to serve on the Committee of Credentials:

The Committee of Credentials and the Commission on Teacher Credentialing are charged by law with evaluation of the moral character and fitness of all persons who wish to teach or perform certified services in the public schools. The Commission, which appoints members to the Committee, is deeply concerned that the Committee members it appoints will meet the same high standards that will be applied to the teachers and applicants whom they evaluate.

The Committee of Credentials is a working Committee which meets three (3) to four (4) days each month in Sacramento. The Committee spends many hours reading investigative reports, weighing evidence, questioning credential applicants and holders, and deliberating and making recommendations that deeply affect the lives and livelihoods of persons before it; all without revealing or disclosing to any other persons the information received through investigation or hearings.

Successful applicants for Committee membership will receive little or no public credit for a job well done, but they will be much appreciated by a grateful Commission on Teacher Credentialing and by the school children who may never know the Committee members' names, but whose safety will have been secured by their efforts.

1. Qualifications are set by law and may not be waived.
2. All questions on the application form are to be answered in the spaces provided. Resumés are to be used for supplementary purposes only.
