

Credential Program Completer Survey Questions Other Educator

The Commission on Teacher Credentialing (Commission) seeks feedback about your experience in your educator preparation program, including your thoughts about the admission process, coursework, faculty, field experience(s), advising, and overall professional preparation.

Your input, along with input from other program completers, will help the Commission on Teacher Credentialing understand the degree to which your educator preparation program and other Commission-accredited programs statewide are meeting students' needs and expectations and preparing them for the field.

This information is important for us as it helps us understand the degree to which your educator preparation program and other Commission-accredited programs throughout the state are meeting students' needs and expectations along with how well these programs are preparing educators to serve in the field. This survey should take about 10 minutes to complete. Your responses are entirely anonymous and confidential.

Informed Consent

Participation in this survey is voluntary but the information is very important to help improve the preparation of educators in California. The Commission will use this information within its quality review processes for accredited preparation programs.

Your decision whether or not to participate in the survey will not affect the processing of your credential application. Every measure will be taken to assure the confidentiality of your response; the Commission will not use your name or other identifying information when reporting the results.

Thank you for your time and your responses.
