Item 1 - CALL TO ORDER

The October 2011 meeting of the Committee on Accreditation was called to order by Co-Chair Anne Jones at 8:40 a.m. on Thursday, October 27, 2011. Co-Chair Anne Jones announced that Committee Member Joseph Jimenez will act as Co-Chair for the meeting in the absence of Co-Chair Nancy Watkins.

Item 2 - APPROVAL OF THE AGENDA

Iris Riggs moved approval of the October 2011 agenda. Emelina Emaas seconded the motion. The motion passed without dissent.

Item 3 - APPROVAL OF THE AUGUST 2011 MINUTES

Gary Kinsey moved approval of the August 2011 minutes as amended. Pia Wong seconded the motion. The motion passed without dissent.

Item 4 - CO-CHAIR AND MEMBER REPORTS

There were no reports from the co-chairs or members.

Item 5 - STAFF REPORTS

Administrator, Cheryl Hickey shared the following:

- Beth Graybill will complete her tenure as the interim Executive Director with the Commission on October 31. She has been very helpful in dealing with the legislative and fiscal issues the Commission has had in recent months.
- Mary Vixie Sandy has been selected as the new Executive Director of the Commission on Teacher Credentialing. Mary has worked at the Commission in the past, most recently as the Director of the Professional Services Division. She will begin her new position on November 1.
- The fall accreditation visits are underway. There will be seven accreditation reports in the February 2012 agenda of the COA.
- The COA nomination forms will be available on the Commission website in early December. There are two IHE positions open and one K-12 position. All three of the departing members (Gary Kinsey, Reyes Quezada and Joseph Jimenez) also have the option of serving a second term on the Commission.
- A BIR training is scheduled to be held in Sacramento in January. The method of training has been revamped in order to reduce the number of days trainees are out of the classroom or from their place of employment. The new training will consist of two “on-site” days in Sacramento instead of four days, as it has been in the past. A webinar will be held, covering information which would have been presented at the training, thereby cutting the “on-site” training time.
- Commission staff presented at the Credential Counselors and Analysts of California (CCAC) annual meeting in Sacramento in October, where there were approximately 700 attendees. Staff presentations were also made at the meeting of the California Council on Teacher Education (CCTE) in San Diego that same week.
- Teri Clark announced the 6 month audit report was sent to the Joint Legislative Audit Committee early. Another report is due in 6 months. With regard to an item addressed in the report, a stakeholder meeting is scheduled at the Commission on October 28 to research ways in which to minimize the time it takes for cases to go before the Committee of Credentials.
- Teri Clark also gave an overview of the budget item which will be presented to the Commission at its November meeting. One of the items which will be discussed is the possibility of increasing the revenue brought in through credential applications and exam fees. Due to current budget constraints there will be no travel out of Sacramento for consultants other than accreditation visits. The COA will continue to meet at the Commission.

- The Credential Web Improvement Project (CWIP) is still ongoing. Staff in all divisions are continuing to work on this project. The estimated start up date for the CWIP is early December.
- The COA Annual Report to the Commission will be presented at the December Commission meeting by former Co-Chairs, Gary Kinsey and Carol Leighty.
- Staffing in the Professional Services Division is becoming critical. There have been many recent retirements in the division. As budgetary constraints are keeping the division from additional hires, it has become increasingly difficult for the remaining staff to do all that needs to be done.
- There is a possibility of changes and clarifications being made to the initial institutional review process. Policy and Procedural conversations by the Commission may impact the manner in which the reviews are done. Staff will be meeting with the new Executive Director as to how to proceed with suggested changes to the review process.
