

Approval of the January Consent Item

Overview

The Committee on Accreditation (COA) will review and approve the January 2023 Consent Items.

Recommendation

That the COA approve the January 2023 Consent Item including removal of all stipulations for both Kern County Office of Education and Las Virgenes Unified School District and changing their accreditation status to Accreditation.

Background

At the October 26, 2022 COA meeting, agenda item 14 – Actions Taken to Address Stipulations for Kern County Office of Education and Item 18 – Actions Taken to Address Stipulations for Las Virgenes Unified School District were presented and discussed by the COA. The COA discussion may be reviewed through the following links:

[COA Discussion of Kern County Office of Education](#) (see Part I, 2:18:26 time mark)

[COA Discussion of Las Virgenes Unified School District](#) (see Part II, 0:44 time mark)

Due to an error in the posted meeting agenda no action could be taken at that time. These items are now being brought back to the COA for action.

Next Steps

The reports as presented at the October meeting are listed below for your review and consideration. After discussion of these reports by the COA and institutional representatives at the October meeting, it was noted that there were no issues identified by the COA that required further discussion.
