

Report of Program Change of Status September 2024

Overview

This report is typically divided into two parts: Part 1 includes items for action by the COA which include requests to withdraw (including automatic withdrawals), requests to reactivate inactive programs and requests to add a new single subject content area.

Part 2 provides information on programs that have transitioned to revised program standards and programs that have elected to change to “inactive” status. These items are for notification and require no action by the COA.

Staff Recommendation

That the Committee on Accreditation take action to approve the addition of a new content area to an existing program as indicated in part C.

Part 1

The following items call for action by the Committee on Accreditation:

A. Recommendation about the Withdrawal of Professional Preparation Programs

No program withdrawals at this time.

B. Professional Preparation Programs Requesting Reactivation

No programs requesting reactivation at this time.

C. Adding a New Content Area to an Existing Program

California State Polytechnic University, Pomona

Bilingual Authorization: Tagalog, September 26, 2024

Part 2

The following items are for notification purposes only:

D. Notification about the Transition of Professional Preparation Program(s)

No programs transitioned at this time.

E. Programs of Professional Preparation Moving to Inactive Status

No programs requesting to move to inactive status at this time.
