Online Meeting Norms

1. Your microphone has been muted upon arrival. Should you be called on to speak, the moderator will unmute your microphone.
2. Use the chat feature to post questions. We will respond to questions at the end of the presentation. If all questions do not get answered orally, the question and response will be posted on the web page.
3. Keep questions to a general focus rather than program or candidate specific inquiries.
4. Avoid multi-tasking during the webinar to ensure that you hear all information that is presented.
5. Honor time for both participants and presenters by moderating your participation.
6. Adjust your view to “Speaker View” instead of “Gallery View”.
Enable video during meeting.
