

### General Teacher Residency Grant Information

In the 2018-2019 fiscal year, \$75,000,000 was appropriated to the Commission to establish the Teacher Residency Grant Program. \$50,000,000 provided one-time competitive grants to applicants to develop new, or expand existing, teacher residency programs that recruit and support the preparation of special education teachers. \$25,000,000 provided one-time competitive grants to applicants to develop new, or expand existing, teacher residency programs that recruit and support the preparation of bilingual education, science, technology, engineering or mathematics teachers. Teacher Residency and Teacher Residency Expansion Grant awards of up to \$20,000 per resident participating in the Teacher Residency Grant Program were made available to develop a new or expand an existing LEA-IHE partnership currently operating a Commission-approved teacher residency pathway. Teacher Residency Capacity grant awards of up to \$50,000 per applicant were made available to support a collaborative partnership between an eligible LEA and an IHE that offers a Commission-approved teacher preparation program to build the partners' capacity to develop and be prepared to operate a Teacher Residency program.
