This funding shall be available for encumbrance through June 30, 2023, and available for liquidation through June 30, 2026.
- (b) (1) A grant shall be up to twenty thousand dollars (\$20,000) per teacher participant that the identified solution proposes to support, matched by that local educational agency or consortium on a dollar-for-dollar basis. - (B) A teacher participant who fails to complete the service obligation described in subparagraph (A) shall reimburse the sponsoring grant recipient the amount of grant funding received as a teacher service scholarship, signing bonus, or student debt payment. The amount to be reimbursed shall be adjusted proportionately to reflect the service provided if the teacher participant taught at least one year, but less than the required four years, at the sponsoring grant recipient.
- (C) If a teacher participant is unable to complete a school year of teaching, that school year may still be counted toward the required four complete school years if any of the following occur:

(D) If the commission determines or is informed that a teacher participant who fails to complete the service obligation described in subparagraph (A), the commission shall confirm with the grant recipient the applicable grant amount to be recovered from the teacher participant and the grant recipient. The amount to be recovered shall be adjusted proportionately to reflect the service provided if the teacher participant taught at least one year, but less than four years, at the sponsoring grant recipient.

(E) Upon confirming the amount to be recovered from the grant recipient pursuant to subparagraph (D), the commission shall notify the grant recipient of the amount to be repaid within 60 days. The grant recipient shall have 60 days from the date of the notification to make the required repayment to the commission. If the grant recipient fails to make the required payment within 60 days, the commission shall notify the Controller and the grant recipient of the failure to repay the amount owed. The Controller shall deduct an amount equal to the amount owed to the commission from the grant recipient's next principal apportionment or apportionments of state funds, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution. If the grant recipient is a regional occupational center or a program operated by a joint powers authority that does not receive principal apportionment or apportionments of state funds, or a consortia of local educational agencies, the commission shall notify the Controller of the local educational agency where the teacher participant taught and the Controller shall deduct the amount owed from the applicable local educational agency's next principal apportionment or apportionments of state funds, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution.
