

# California Commission on Teacher Credentialing

## Round 3 Request for Applications

### Reading and Literacy Supplementary Authorization Incentive Grant Program

#### Who Is Eligible to Apply?

Eligible applicants for the Reading and Literacy Supplementary Authorization Incentive Grant Program (Reading and Literacy Grant) are Local Education Agencies (LEAs) interested in securing grant funding to support credentialed teachers in adding a Reading and Literacy Added Authorization (RLAA), or a Reading and Literacy Leadership Specialist (RLLS) Credential. The Reading and Literacy Added Authorization authorizes the holder to assess student reading and provide reading instruction in response to those assessments. RLAA holders are also authorized to develop, implement, and adapt the reading content curriculum and assist classroom teachers in these areas. RLLS Credential authorizes the holder to provide direct reading instruction (as does RLLA) and to coordinate adoption of literacy curricula, and provide training, guidance, and coaching to teachers.

#### Available Funding

The sum of \$14,357,500 million remains from the \$15 million appropriated from the California General Funds to the Commission on Teacher Credentialing for the Reading and Literacy Supplementary Authorization Incentive Grant Program. One-time grant awards of up to \$2,500 per participating teacher through June 20, 2027, are available for eligible LEA applicants whose proposals are recommended for funding. Applicants should note that this funding is intended to supplement and not supplant existing LEA programs and efforts designed to increase the number of teachers eligible to provide reading and literacy instruction. These funds may be used for the purpose of paying the teacher costs of coursework, books, fees, and tuition, as applicable, for the Reading and Literacy Added Authorization program. There is a 100-percent match requirement for each grant dollar received. Matching funds may be actual funds and/or in-kind as outlined in the authorizing legislation ([Appendix A](#)).

#### Project Period

Upon grant award through June 20, 2027.

#### **Due Date for Receipt of Complete Applications at the Commission Office Friday, March 8, 2024, by 5:00 p.m.**

## Reading and Literacy Supplementary Authorization Incentive Grant Program

### Section I: Introduction

#### Introduction

The Reading and Literacy Supplementary Authorization Incentive Grant Program is intended to provide support to increase the number credentialed teachers authorized to provide reading and literacy instruction in California by obtaining their Reading and Literacy Added Authorization or their Reading and Literacy Leadership Specialist (RLLS) Credential. Per the added authorization program standards, the authorization, “effectively prepares candidates to teach all students to read and helps candidates understand the challenges of developing literacy among California’s diverse population. Successful candidates will be able to maximize literacy development for all students.” Grant funds may only be used to support credentialed teachers in earning the Reading and Literacy Added Authorization (RLAA), or a Reading and Literacy Leadership Specialist (RLLS) Credential, through a Commission-approved program.

This Request for Application (RFA) is to provide a grant award of up to \$2,500 per participating teacher, through June 20, 2027, for eligible Local Education Agency (LEA) applicants to support the preparation of credentialed teachers to earn a Reading and Literacy Added Authorization (RLAA), or a Reading and Literacy Leadership Specialist (RLLS) Credential. Per statute, the grant funds must be matched by the grantee LEA on a dollar-for-dollar basis. Matching funds may be actual dollars or in-kind. *Each teacher participating in the Reading and Literacy Supplementary Authorization Incentive Grant Program may receive a maximum of \$2,500 in one-time, non-renewable grant-funded support.*

The Reading and Literacy Grant must be operated by eligible LEA applicants as defined in the authorizing legislation ([Appendix A](#)):

- a school district,
- a county office of education,
- a county superintendent of schools,
- a state-operated education program, including a state special school,
- an education program providing instruction in kindergarten or any of grades 1 to 12, inclusive, that is offered by a state agency, including the Department of Youth and Community Restoration and the State Department of Developmental Services, or
- a regional occupational center or program operated by a joint powers authority or county office of education.

Eligible LEA as defined above may apply for the grant program. However, priority will be given to LEA applicants that provide grant funds to teachers who provide instruction at an eligible schoolsite. An eligible schoolsite for this grant is defined (in Section 42238.02 of the Education Code) as one operated by an eligible local educational agency with an unduplicated pupil percentage for pupils enrolled in kindergarten and grades 1 to 6, inclusive, based on 2021-22

census day pupil data, that is in the highest 10 percent in the state of all schoolsites with either kindergarten or any other of the grades 1 to 6, inclusive. LEAs applicants may refer to the [eligible schoolsite list](#) provided by the California Department of Education.

LEA applicants should note that each participant teacher must satisfy **all** of the following requirements according to Reading and Literacy Added Authorization (RLA) ([CL-812](#)) and the Reading and Literacy Leadership Specialist (RLS) Credential ([CL-537](#)) in order to complete the added authorization:

1. Possess a valid basic California teaching credential, which may be one of the following:
  - a. A teaching credential requiring a bachelor's degree and a professional preparation program, including student teaching.
  - b. A clear, full-time designated subjects teaching credential, provided that the holder also possesses a bachelor's degree and has met the basic skills requirement. See Commission leaflet [CL-667](#), entitled *Basic Skills Requirement*, for additional information.
2. Possess an English Learner Authorization.
3. Provide verification of three years successful, full-time teaching experience in any grade or subject, preschool through adult exclusive of student teaching, intern teaching, or teaching while holding an emergency or teaching permit.
4. Completion of an RLAA or RLS professional preparation program, including successful completion of a supervised field experience.
5. Recommendation for the added authorization from a Commission-approved Reading and Literacy Added Authorization or Reading and Literacy Leadership Specialist program sponsor.

### **Allowable Activities and Use of Funds**

Grant funding can only be used for the costs of coursework, books, fees, and tuition for participating teachers. The awards allocated pursuant to this grant shall not be subject to local educational agency indirect costs. Per statute ([Appendix A](#)), the grant funds must provide a 100-percent match of grant funding in the form of one or both of the following:

- a. One dollar (\$1) for every one dollar (\$1) of grant funding received that is to be used in a manner consistent with allowable grant costs.
- b. An in-kind match of release time or substitute teacher costs for the participating teacher.

Each participating teacher in the Reading and Literacy Supplementary Authorization Incentive Grant Program may receive a maximum of \$2,500 in one-time, non-renewable grant-funded support.

### **Non-Allowable Activities and Use of Funds**

Grant funds may not be used to fund any of the following activities:

- Reimbursing expenditures incurred by participants prior to the program’s grant funding.

### **Additional Information for Applicants**

Applicants should refer to authorizing statute ([Appendix A](#)) for annual monitoring and fiscal obligations over the grant period if awarded a Reading and Literacy Supplementary Authorization Incentive Grant. Awarded grantee LEAs must report annually to the Commission on Teacher Credentialing beginning on or before August 31 of the first year after receiving a grant award and continue throughout the project period on the number of new reading and literacy supplementary authorizations issued to teachers who participated in the grant program and areas of reading and literacy duties performed at the school site level by teachers who participated in the grant program. For more information, please review the “Data Collection and Evaluation Reporting” guidelines in [Section II](#).

### **Reading and Literacy Added Authorization (RLAA)**

In planning budget expenditures, it is expected that applicants will project the number of Reading and Literacy Grant participants per year. The funds are intended to provide a maximum of direct and/or related services that benefit the participating teacher. For that reason, in accordance with the authorizing legislation, *awards allocated for this program shall not be subject to local educational agency indirect costs.* **No additional grant funds expenditures for program administration purposes will be allowed.**

### Directions for Responding to the Budget Criterion

- Provide a budget for the proposed Reading and Literacy Supplementary Authorization Incentive Grant Program, using the table on [Appendix F](#) for Commission-allocated grant funds and 100 percent local matching funds.

Each year, program leadership will be asked to update expenditures, as necessary, relative to the approved program components. **Once program components have been approved, no additional program components may be added.** Only the sum number of expenditures in the approved program components may be updated yearly.

- Provide a budget narrative explaining how each of the program costs was determined/calculated for the grant funds and the matching funds. Applicants should consider the most efficient and effective use of time, fiscal resources, material resources, and the expertise and preparation of those involved in planning and implementing the Reading and Literacy Grant Program.

### **Funding Considerations**

The grantee will be expected to make appropriate yearly progress in implementing the Reading and Literacy Supplementary Authorization Incentive Grant Program according to the program design provided in the funded application. Funds to grantees will be distributed in two total payments each fiscal year. The first payment will be 90 percent of the total budget amount, and the second payment will be the remaining 10 percent of the budget amount, will be distributed after the program submits its complete annual data report.

An end of year budget form and program report will be collected annually and will be subject to Commission review and approval. Any unspent or unencumbered funds in a given year will affect the following year's budget disbursement such that the next year disbursement will be adjusted to include funds that had not been spent during the previous year.

Note: Each Reading and Literacy Grant program participant may only receive a maximum of \$2,500 total in support from the grant funds.

The authorizing statute states that priority consideration will be given to grant applications for teachers that provide instruction at an eligible schoolsite.

An eligible schoolsite is defined in the authorizing legislation as “a schoolsite operated by a local educational agency with an unduplicated pupil percentage for pupils enrolled in kindergarten and grades 1 to 6, inclusive, based on 2021–22 census day pupil data, that is in the highest 10 percent in the state of all schoolsites with either kindergarten or any other of the grades 1 to 6, inclusive. The unduplicated pupil percentage shall be calculated by the sum of the number of unduplicated pupils that are eligible for free and reduced-price meals, classified as English language learners, or that are foster youth, divided by each schoolsite’s total enrollment. The Superintendent of Public Instruction shall develop a list of eligible schoolsites, and provide that list to the commission for purposes of administering the program.”

**Directions:** Indicate whether the applicant LEA or consortium qualifies for statutory priority points by listing the eligible schoolsite(s) as defined by legislation. The list of eligible schoolsites may be accessed [here](#).

## **Appendix H**

### **Questions and Answers**

### **Request for Applications (RFA)**

#### **Reading and Literacy Supplementary Authorization Incentive Grant Program**

**October 6, 2023**

##### **Clarifying the RFA and Submission Requirements**

1. **Question:** I'm an interested participant. It is unclear which information the cover page requires.

**Answer:** The cover page may only be filled out by eligible local education agencies (LEA) applicants (school districts, county offices of education, etc.), not by individual participants.

##### **Who Can Apply for a Reading and Literacy Grant?**

2. **Question:** I'm an interested participant. I wanted to know if I would be able to apply for this grant even if I am not able to start or apply for a RLLS program this year. I read that awards were able to be granted "through June 20, 2027." Could I start a program up until that date? Or must I finish before 2027?

**Answer:** The grant funds are awarded to eligible LEAs. Interested participants may contact their LEAs/employers to inquire about the grant program and eligibility. One may also notify their employer about the grant for the LEA to apply for the grant to support teachers who may be interested.

3. **Question:** I have had several districts reach out to our county office of education (COE) and ask how they can apply for the RLAA grant through our county office. Does a COE need to apply to support districts?

**Answer:** No. School districts may apply for the grant and do not need to be supported by a COE. COEs may apply to support their school districts, or a consortium of districts and/or other COEs.

4. **Question:** If a school district wants more information about an IHE's Reading and Literacy program, does the school district reach out to the IHE's program sponsor directly?

**Answer:** Yes.

5. **Question:** If our county office applies, what is our responsibility to the districts/teachers?

**Answer:** The COE would be the lead applicant, and as such, the COE would be responsible for managing all aspects of the grant as stated in the request for application, including managing and funding participants, and reporting data to the Commission.

**May 26, 2023**

##### **Clarifying the RFA and Submission Requirements**

6. **Question:** The CTC website shows that completed applications are due to the Commission by June 23, 2023. Will this be the only application period for LEAs to apply?  
**Answer:** Future grant rounds are determined by the availability of grant funds.

7. **Question:** Do LEAs need to identify specific teachers in their application?  
**Answer:** No. Grantee local education agencies (LEAs) will have to identify participating teachers in the required annual data reports submitted to the Commission.

8. **Question:** What are the chances for acceptance into one of the institutions if I do not have prior reading and literacy experience? I am assuming to be accepted for the grant program I would have to be accepted into one of the institutions.

**Answer:**

- a. LEA grantees will determine how participants will be selected to participate in the grant program. To receive grant funds, a participant must be a teacher in the LEA grantee and enrolled in a Commission-approved program that satisfies the Reading and Literacy Added Authorization (RLAA) or a Reading and Literacy Leadership Specialist (RLLS) credential.
  - b. Contact the institution of higher education (IHE) directly to learn more about the application criteria. Here is a [list of IHEs](#) with courses that satisfy the authorization.
9. **Question:** The RFA states, "priority will be given to LEA applicants that provide grant funds to teachers who provide instruction at an eligible schoolsite." How do I know if priority will be given to an applicant LEA?

**Answer:** An eligible schoolsite for this grant is defined (in Section 42238.02 of the Education Code) as one operated by an eligible local educational agency with an unduplicated pupil percentage for pupils enrolled in kindergarten and grades 1 to 6, inclusive, based on 2021-22 census day pupil data, that is in the highest 10 percent in the state of all schoolsites with either kindergarten or any other of the grades 1 to 6, inclusive. LEAs applicants may refer to the [eligible schoolsite](#) list provided by the California Department of Education. LEAs not on the eligible schoolsite list may still apply.

#### **Who Can Apply for a Reading and Literacy Grant?**

10. **Question:** I do not see us on the eligible school list and wondering if you all will open it up to charter schools?

**Answer:** Per Legislation, eligible "Local educational agency" means a school district, county office of education, county superintendent of schools, state-operated education program, including a state special school, an education program providing instruction in kindergarten or any of grades 1 to 12, inclusive, that is offered by a state agency, including the Department of Youth and Community Restoration and the State Department of Developmental Services, or a regional occupational center or program operated by a joint powers authority or county office of education. Charter schools are not included in authorizing legislation as an eligible LEA.

11. **Question:** Can I apply on my own without an LEA?

**Answer:** No.

12. **Question:** I am almost finished with my reading authorization which I paid for on my own. Is there a way that I can receive the Literacy Grant to reimburse me for my out-of-pocket expenses? I will complete my last course on June 16, 2023.

**Answer:** No. Grant funds may not be used to retroactively reimburse participants.

#### **Local Education Agency Partnership**

13. **Question:** Can COEs apply on behalf of teachers at their county schools? Can COEs apply on behalf of teachers at their districts' schools? Can COEs apply on behalf of multiple districts in the same application?

**Answer:** Yes. If County Offices of Education (COEs) choose to do so, they should clearly note such partnerships in the narrative of the application.

14. **Question:** Are County Offices able to apply in partnership with LEAs or is this one strictly for LEAs? Can county offices partner with LEAs to submit an application jointly? If so, is the county office allowed to take the lead with the application?

**Answer:** Yes. And if COEs and LEAs choose to do so, they should clearly note such partnerships in the narrative of the application.

#### **Reading and Literacy Grant Funding**

15. **Question:** Are we able to use [district] staff salaries (for our staff assigned to oversee this project) as a demonstration of matching costs?

**Answer:** Per authorizing legislation, the 100-percent match of grant funding can only be in the form of costs for required coursework, books, fees, tuition, and release time, as applicable and/or an in-kind match of release time or substitute teacher costs for the participating teacher.

16. **Question:** Will the grant for the Reading and Literacy Supplemental Authorization be retroactive since some teachers already doing the course work?

**Answer:** Grant funds and matching funds may only be used for approved expenses incurred after the awarding of the grant.

17. **Question:** My understanding is that this is a gift where the LEA has to match what the state provides, but that this match can be in-kind. Could you please elaborate on what that in-kind matching from an LEA could look like, and what that process would be for applying for funds with an in-kind match?

**Answer:** Per authorizing legislation, in-kind matching funds are limited to in-kind match of release time or substitute teacher costs for the participating teacher. The process for indicating in-kind matching funds can be found on Appendix F, Budget Overview form.

18. **Question:** Can the grant fund be used by the LEA awardees to pay for above cost of \$2,500?

**Answer:** Grantee LEAs will be funded a maximum of \$2,500 per participating teacher. LEAs may use matching funds for any additional program costs above the \$2,500 grant fund maximum.

19. **Question:** The instructions of the RFA for the Reading and Literacy Supplementary Authorization Incentive Grant states that grant funding can be used for any of the

following: cost for tuition, books, fees, or release time/sub cost. If we are partnering with an organization that offers asynchronous or evening classes, are we still able to use grant funds to pay teachers to complete their courses? This would be extra duty pay rather than needing to have to cover the cost of a substitute.

**Answer:** Authorizing legislation states that the use of grant funds includes coursework, books, fees, tuition, and release time and/or substitute cost. Since asynchronous or evening classes would not require time off from regularly scheduled activities, extra duty pay would not be considered an approved use of grant or matching funds.

20. **Question:** Can we use matching funding from outside the LEA to be used for matching? Some types of other funding that could be interested in matching could include other grant funded sources.

**Answer:** Yes. Include this information in the budget narrative (RFA Question #5).

#### **Data Reporting and Responsibilities Post Grant Award**

21. **Question:** Are we required to collect any data to receive annual funds?

**Answer:** Yes. Per legislation, grantees must commit to the Commission's requirements for data collection, evaluation, and reporting. This may include an annual roster of Reading and Literacy Grant participants and demographic data.
