- (h) To receive a grant, an applicant shall submit an application to the commission at a time, in a manner, and containing information prescribed by the commission.
- (i) When selecting grant recipients, the commission shall do both of the following:
- (1) Require applicants to demonstrate a need for special education, or bilingual education, science, technology, engineering, or mathematics, teachers and to propose to establish a new, or expand an existing, teacher residency program that recruits, prepares, and supports teachers to teach special education, or bilingual education, science, technology, engineering, or mathematics, in a school within the jurisdiction of the sponsoring grant applicant.

A candidate who fails to earn a preliminary credential or complete the period of the placement shall reimburse the sponsoring grant recipient the amount of grant funding invested in the candidate's residency training. The amount to be reimbursed shall be adjusted proportionately to reflect the service provided if the candidate taught at least one year, but less than four years, at the sponsoring grant recipient. The amount to be recovered shall be adjusted proportionately to reflect the service provided if the candidate taught at least one year, but less than four years, at the sponsoring grant recipient.
- (n) Upon confirming the amount to be recovered from the grant recipient pursuant to subdivision (m), the commission shall notify the grant recipient of the amount to be repaid within 60 days. The grant recipient shall have 60 days from the date of the notification to make the required repayment to the commission. If the grant recipient fails to make the required payment within 60 days, the commission shall notify the Controller and the grant recipient of the failure to repay the amount owed. (q) Grant recipients shall not charge a teacher resident a fee to participate in the Teacher Residency Grant Program.

(r) (1) Notwithstanding paragraphs (2) and (3) of subdivision (a), the commission may allocate up to one million five hundred thousand dollars (\$1,500,000) of the amount appropriated pursuant to subdivision (a) to capacity grants that shall be awarded on a competitive basis to local educational agencies or consortia, described in subparagraphs (A) to (D), inclusive, of paragraph (2) of subdivision (b), partnering with institutions of higher education to expand or create teacher residency programs that lead to more credentialed special education, or bilingual education, science, technology, engineering, or mathematics, teachers.

(2) (A) The commission shall determine the number of capacity grants to be awarded and the amount of the applicable grants.

(B) Individual capacity grants shall not exceed seventy-five thousand dollars (\$75,000) per grant recipient.
