Subject: Payment required within 90 Days of Recommendation

Summary
To ensure that the Commission can process online recommendations from program sponsors as well as approved authorized agencies for Emergency 30-Day Substitute Permits in a timely manner, educators recommended for these documents must complete the payment portion of the recommendation within 90 days. During the 90-day period, recommendations are viewable at: https://educator.ctc.ca.gov/esales_enu/start.swe?SWECmd=GotoView&SWEView=CTC+Educator+Login+View+Web for the educator to submit the payment.

If the payment is not submitted within the 90 days, the recommendation will be cancelled and the program sponsor, county office of education or school district will be required to complete a new online recommendation. The Commission will not send notification to the educator, authorized agency, or the program sponsor regarding the cancellation. This policy is effective the date of this PSA.

Key Provisions
The 90 day limit aligns with Title 5 section 80440 which requires applications to be received by the Commission within three months after the requested issuance date of the credential. Payments must be made within 90 days of the recommendation date because the issuance date on the document cannot be over 90 days beyond the date the recommendation was submitted.

The educator is provided the specific 90 day cutoff date in the email notification sent when a recommendation from the program sponsor is submitted to the Commission. In the example below, the language where the 90 day date is listed is highlighted in yellow. Note that in the example, January 21, 2014 is 90 days from the October 24, 2013 recommendation date.
