## Option 4

Must have either a degree major or at least 18 semester units, or 9 upper division semester units, of course work in a subject that can be listed on a Single Subject Credential. When evaluating for one of the science subjects, at least nine semester units must be in the specific science area. For Foundational-Level General Science, an individual must either verify a bachelor's or higher degree in science (does not include health science) or verify 18 semester units (or nine upper division semester units) across the four science areas of biological science, chemistry, geosciences, and physics. A minimum of one course in each of the four areas is required.
